Dear Parents:

We are excited that you are interested in Leadership Christian Academy. We realize that choosing the right education for your child is imperative, so we hope that this packet of information will be informative as you prayerfully make your decision.

Leadership Christian Academy has a four-fold philosophy that flows out of our mission statement:

Partnering with parents, Leadership Christian Academy provides a program of academic excellence that embodies a Biblical worldview in order to equip the whole child to live a servant lifestyle as a godly leader and citizen who will impact the world with the message of Jesus Christ.

This fall the Academy will offer Pre-Kindergarten through eighth grade. We use a differentiated classroom model in a grade-combined environment. We believe this classroom format provides the best atmosphere for a child's learning and growth. This allows each child the opportunity to progress at his/her own rate in core subject areas. Each grade is limited to ten students allowing twenty students in each class.

We offer a half-day Pre-Kindergarten class for four and young five year old children four days a week. The Kindergarten class meets for a full day five days a week, sharing the same schedule as the other grades. Please take some time to review the enclosed materials and direct any questions to Pastor Diane Price at (814) 833-0286. You may inquire in the office for more information or visit our website at www.leadershipchristianacademy.com.

Sincerely,

Pastor Diane Price
