

5900 Sterrettania Rd  
Fairview, PA 16415

A large sheet of white paper is spread out on a table, with several children's hands visible as they draw. The drawings include a central schoolhouse with a clock tower, a globe, a pair of scissors, a kite, a girl's face, a math problem  $2+2=$ , and a vertical number line with numbers 1 through 9. Various school supplies like pencils, pens, and a ruler are scattered around the paper.

# Just Ask Campaign 2020

## Annual Report

# You did great things.

---

When we launched Just Ask 2020 last Fall, the Academy was preparing for many unknowns after school closures the previous Spring semester. Our Just Ask wish list reflected these unknowns, but also carried with it many positive long-term products, programs and benefits for all LCA students.

**Because of YOU, we reached our Just Ask 2020 goal!** We minimized negative impact, while maximizing safety, new technology, challenging academics, leadership opportunities and spiritual growth... and kept the Academy in-person the entire school year!

Our LCA families Just Asked. You stepped up to support with **100% of your donation going directly to the Academy.** God guided, directed and protected LCA in ways that were above and beyond all that we could imagine last school year.

## Partnering with like-minded parents, LCA's mission

**is to** provide a program of extraordinary academics that embodies a Biblical worldview in order to equip the whole child to live a servant lifestyle as a Godly leader and citizen who will impact the world with the message of Jesus Christ.

## Made possible by Just Ask 2020

- iPad covers
- Hand sanitization stations
- Microsoft license
- Sycamore license
- Seesaw Teams
- Video cameras
- Upsized flat screens
- Janitorial expenses
- Increased cafeteria staff
- Architectural planning & regulatory research for a new wall; creating new additional classrooms
- The Academy's comprehensive Dyslexia program
- 10% of all donations go to the newly formed Leadership Christian Academy Endowment Fund

# On the GROW.

**2021  
Just Ask**

**Just Ask 2021 is ALL about accommodating growth at the Academy!** Your Just Ask financial seeds have been sown into good ground and the growing numbers of students as well as our amazing graduates are a result of your diligence. Together we are raising up this generation of God's leaders!

We are thrilled to announce that not only is the Academy "on the GROW," but **we have hit record numbers with nearly 100 students** attending LCA! This meant construction had to begin during the summer months to create new classroom spaces in order to accommodate separate first and second grade classes.

Although construction began this Summer in preparation for the new school year, we are putting on the finishing touches this Fall and knew in advance that this would be our Just Ask 2021 project. **Your donation this year covers the expenses of building a wall that creates three new stand alone classrooms** - the new second grade, the music classroom and what will be a third or fourth grade room next year. Just Ask 2021 will **also pay to equip the second grade room** with desks, a charging dock, TV, bulletin board, coat cubbies, etc.

#### **Donations for Just Ask 2021 will:**

- Fund the wall construction that creates THREE new classrooms including transom windows and doors (coming this Fall!).
- Outfit the new second grade classroom with desks, a charging dock, TV, bulletin board, coat cubbies, etc.

# Growth Update

- Enrolled nearly 100 students for 2021-2022!
- Separated 1<sup>st</sup> & 2<sup>nd</sup> grade classes to maintain small class size amidst growth at LCA.
- Welcomed a new 2<sup>nd</sup> grade teacher and a new Kindergarten teacher.
- Entered the final year of the dual accreditation process.
- Averaged two to three grade levels above current grade on Terra Nova scores across the Academy (*excluding students with accommodations*).
- Added an Executive Operations Assistant to coordinate student activities, administer the Dyslexia program and co-chair the accreditation steering committee.
- Launched the LCA endowment for long-term self-sustainability.
- Positioning the Academy to receive zero government dollars.
- Expanding the LCA campus with three new classrooms!

**We hope that you will prayerfully consider participating again in our 2021 Just Ask campaign!**
