

Keri Van Scoter attended The University of Akron in conjunction with Mercyhurst University to obtain her Bachelor of Music degree. She also holds a Master of Arts in Clinical Mental Health Counseling from Edinboro University. Keri has performed across Europe, Canada, and the United States as a professional musician. She has also taught Pre-K – 12th grade music, chorus, concert band, orchestra, music theater, percussion ensemble, and marching band. She currently teaches private voice and piano lessons and has a private Christian counseling practice as a Licensed Professional Counselor.

Keri was very excited to learn that LCA needed a music teacher, as God had placed it on her heart to return to the classroom. She is looking forward to bringing a Christ-centered music program to LCA for His glory.

Keri was recently married in May 2023 and spends her leisure time with her husband and stepson doing a variety of outdoor activities, playing music together, and participating in numerous ministries at church.

“I am passionate about helping kids to learn how Christian music can help them in their relationship with God. I look forward to helping the kids discover and use their God given talents in the context of our music program at LCA and beyond.”
