

Janele Wolbert received her Bachelor's Degree in Athletic Training and Liberal Studies at Clarion University and University of California. She is a Certified Athletic Trainer and has worked with team sports at various middle/high schools in Erie County for ten years. Janele is currently the Physical Education Instructor & Middle School Aide at LCA.

Janele attends church every Sunday with her family. She serves as one of the team leaders in the Elementary room, where she helps with scheduling volunteers for each service.

Janele loves spending time with her husband, Corey, and their three girls: Parker, Kendal and Layna. They love going to the beach and playing sports in the backyard!

Janele joined the LCA staff in 2021. "It was the best decision for my family and I to leave my past job and follow my dream of working with children in the educational field. Now my daughters and I can experience a God-loving school. I am truly blessed to get this opportunity to witness each student grow in their walk with the Lord."

Mrs. Wolbert

Physical Education Instructor & Middle School Aide
