

Cheryl Caram graduated from Zion Ministerial Institute in Waverly, New York and has earned a bachelor's degree from Christian Life School of Theology. She has spent many years teaching children's Sunday school and ministering on the worship team. For ten years she and her husband pastored a small church in Jamestown, New York, and later served as assistant pastors at a local Erie church.

She has been happily married to her best friend Dan for 32 years. They have two adult children, a son who is a middle school band teacher, and a daughter who is an RN. Together, the four of them have traveled to all 50 states. Additionally, she and her husband have gone on mission trips to Mexico, Guatemala, Costa Rica, Dominican Republic and Honduras.

Cheryl home schooled both of her children from kindergarten through 3rd grade. Recently she has had the opportunity to teach in a Christian school setting, where she started as a substitute teacher, aide, music teacher and then finally went on to teach kindergarten full time. When she is not busy with work, Cheryl enjoys playing the piano, spending time with her family (including Carter the dog and Hobbes the cat) traveling, home remodeling, art, and crafting.

"I am happy to join the Leadership Christian Academy family and look forward to working with my new kindergarten students and their parents," Cheryl added.
