

Bev Perry is a native of Erie, a graduate of McDowell High School and for 25 years was a hairstylist with both her cosmetology and cosmetology teaching license. She has been part of the LCA family since it's inception and has served in many roles including active parent of students attending the Academy, volunteer in a number of departments and capacities and now her current role as Staff Support.

Bev is also active in her husband's business, Perry Heating & Air Conditioning. They have two sons; one who attended LCA and the other who is a current student. Time together as a family is centered around music and watching their sons perform piano and drums. They are also involved in church activities; from worship band and sound booth to helping prepare communion and coffee. Bev is also part of the Tuesday morning prayer group and attends the Women to Women group.

"Having been a part of the Academy from the very beginning as a parent, my expectations have all been exceeded in so many ways. I'm truly amazed by the real family atmosphere, I am honored and grateful for the opportunity to be a part of LCA in a supportive role. Everyday I witness the staff teaching guiding and supporting each and every student and at the same time displaying the many loves of God."

Mrs. Perry
Staff Support
