

Christina Duffrin attended Bay de Noc Community College for Early Childhood Education and is currently enrolled at Western Governors University obtaining a degree in Special Education. Joining the faculty in 2013, she has taught Leadership Spelling 1, conducted reading groups throughout the Academy, teaches middle school math and assists students in 3rd through 8th grades in reading and study skills.

Christina's main role at the Academy is as the Executive Operations Assistant responsible for coordinating student activities, co-chairing the accreditation steering committee and administering the Academy's Dyslexia program. Christina tutors and remediates all dyslexic students in 1st through 8th grade and is certified in the Barton Reading and Spelling Curriculum.

In her leisure time, Christina, her husband, and their children enjoy getting outside and soaking up the beautiful Erie area, serving in Children's Ministry and being creative.

"Recognizing that children learn differently, I am passionate about seeing children empowered in education and becoming who they are in Christ."

Mrs. Duffrin

Executive Operations Assistant
