

Lisa Yapple graduated from Eastern Nazarene College with a Bachelor of Arts degree in Business Management. She holds a Master of Science in Clinical Mental Health counseling from Gannon University. She spent most of her career as a Licensed Professional Counselor and is in private practice. When she discovered the need for a Pre K-K teacher last year, she followed the call to fill this void, trusting God to provide. She has her teacher's certification through ACSI (Association of Christian Schools International).

Lisa has spent many years nurturing the hearts and minds of young people including homeschooling her own daughter (who now attends LCA), 10 years as a youth leader in Boston and currently serving in the children's ministry at her church.

She enjoys family game night with her husband and daughter, dinner with friends, traveling, and is passionate about helping people.

“It's a privilege to watch little people discover that they can learn something new and guide them to build relationships & manage their emotions all through Christian values. It's a blessing to be part of the LCA community.”
