

Margo Evans has a BS degree in Elementary Education from Indiana University of Pennsylvania. She has continued her education at Gannon University as well as other locations for her master level classes.

She was blessed to grow up in a strong Christian household and have the influence of her parents as solid role models. Her father is a United Methodist Church pastor who landed in the Erie area as the District Superintendent. After graduating from college, Margo moved to Erie and taught preschool for three years. She then taught kindergarten for three years at St. John's in Girard. She has most recently taught at Elk Valley Elementary School for the past 32 years and is thrilled to now be part of the LCA family.

Margo is the Music Director at Asbury United Methodist Church. She enjoys playing piano and singing. She directs the choir and leads the praise band. Her love for music allows her to play for retreats, musicals, concerts and other events. She also organizes Asbury's VBS each summer.

She married her husband, Gordon, in February 2000. He owned Art's Bakery and retired in the spring of 2023. Their daughter, Emma, just graduated from Penn State University with a degree in Architecture and is working at Weber Murphy Fox here in Erie. Margo also has three adult step-children and five step-grandchildren.

Margo is thrilled to be able to share her faith with her students. She is blessed to continue her journey at LCA.
