

Miranda Bernhardt graduated from Edinboro University of Pennsylvania in 2012 with a Bachelor's Degree in Journalism/Public Relations and a minor in health studies. She also holds an Associate Degree in Business Marketing and Management. After graduation from EUP, Miranda enjoyed her career at Allegheny College as their assistant director of donor relations. After marrying her husband, Adam, in 2018, she accepted a position in the office of Northwestern Elementary School before transferring to Girl Scouts of Western PA to work in their volunteer screening department.

Miranda attended a Christian school from PreK-5th grade and has experience working in Christian education as a development coordinator. All three of her teenaged children have benefitted from receiving a Christian education over the years, with two of them being LCA alumni. Miranda has also served in her church as both a Sunday school and VBS teacher, and at the Northwestern Community Youth Center on their Board of Directors.

When she isn't driving her children to practice, work or youth groups, Miranda enjoys cooking, gardening, and spending time outdoors with her family. Their favorite activities include kayaking on Conneaut Creek or Lake Erie and taking walks at Erie Bluffs State Park.

"I am so blessed to serve at LCA. This isn't just a workplace or school; we are a family of brothers and sisters in Christ, from our parents and students to our staff and leadership team. I get to share and receive God's love daily and witness Him at work in the lives of our students and staff. I am incredibly thankful that my children and I are here."
