

Amy Puharic graduated in 2016 from the Community College of Beaver County with a degree in Early Childhood Education. She has always had a passion for working with young children because of their creative nature and willingness to learn. Amy attended a Christian school from 5th through 12th grade, fully understands the benefit of academic excellence with a Biblical worldview and is extremely excited to be a part of LCA.

She counts herself very blessed to have grown up as a pastor's child in a household where she gained continual Christian influence and a firm belief system. She is continuing her journey in ministry by serving alongside her husband, Tyler, who is a Youth/Young Adult Director.

In her time away from school, Amy enjoys being outside, having game nights with friends, shopping and going on adventures to find new coffee shops.

"I love getting to work in an environment where the main focus is the Lord and we seek to glorify Him in everything we do."
