Leadership Christian Academy

BUILDING THIS GENERATION OF GOD'S LEADERS

Celebrating 20 years of educating & equipping this generation of God's leaders

2024
ANNUAL REPORT

JUST ASK 2024: YOU MADE IT HAPPEN!

This past year you blessed the Academy & our students in a BIG way, with $47,911 in Just Ask gifts! Here are some highlights...

NEW COPIER

LCA prints nearly all of their own materials for promotions, classes, and communications. Thanks to last year's Just Ask campaign, the Academy purchased a new copier for the main office, and received an additional used copier for the second level teachers' hub, offering faculty much greater convenience. The older printer from the office was relocated to the extension campus, equipping middle school staff with increased efficiency.

AV UPGRADES

With your support through the Just Ask 2024 campaign, the Academy purchased a new AV computer, is preparing to install a wider projector screen, and conducted a review of the sound system to understand where improvements were needed. The campaign even made it possible for LCA to receive a donated projector! The students who volunteer for the AV team can now be trained on updated equipment!

SONIC WALL

Through your investment in last year's campaign, we were able to invest in a new Sonic Wall! This wall provides our cybersecurity and content filter, which aids in keeping students and staff safe while online.

SECURITY

The donation you made to last year's campaign allowed us to renew our Active Defender App for staff to alert and communicate with each other if a crisis were to occur. Funds also provided every staff member with a mobile panic button for real-time alerts.

We are proud that 100% of donations to the Just Ask campaign are strictly used for important needs outside of our operating budget. These critical items enhance the experience of each and every student and help the Academy operate more efficiently and effectively! This year's campaign is no exception. With our campaign goal of $40,000, please see on the following page how your gifts will impact the Academy this school year!

JUST ASK CAMPAIGN 2025

Good Stewards

LCA always strives to be **good stewards** of the resources we've been blessed with. We are proud that the Just Ask campaign is strictly used for important needs outside of our operating budget. This year's campaign is being directed to many projects across campus to help us better utilize the resources we have already been entrusted with!

DRAWING UP PLANS FOR THE ART ROOM

With the growth the Academy has seen over the past few years, we needed to make the best use of the space inside our building. This year, the art classroom has found its permanent space in the lower level, alongside the music classroom! With that move comes the need for new shelving and organization.

SWINGING INTO PLAYGROUND UPGRADES

For several years, we have saved a portion of donations from the Just Ask campaign for a huge playground project. We have saved $12,000, and with the additional funds from this year's campaign, we plan to implement Phase 1 of the multi-phase project. Groundbreaking on the new playground site will commence in the near future!

BOOKING A NEW HOME FOR THE LIBRARY

As middle school enrollment has reached record numbers, we separated the 5th and 6th grade classrooms! With that change, the library was moved from the extension campus to "The Park", on the second level of our main building. Funds from this year's Just Ask campaign will allow for more shelving and flex seating options for our students as they read.

Just Ask is LCA's *one and only* school-wide fundraiser of the year! Please prayerfully consider giving to Just Ask 2025 to help us reach this year's goal of $40,000!

ACADEMY UPDATE

As LCA celebrates its **20th anniversary year**, we pause for a moment to look back at all that God has blessed us with. In 2005, with a handful of teachers and families ready for a different kind of Christian school—one set apart by its **intense focus on discipleship**, Leadership Christian Academy was born. Fast forward to 2025, and we see how God has equipped us to accomplish our mission, year after year. As a donor to the Academy, your support has made a **lasting impact** in the lives of **this generation of God's leaders**. Thank you for allowing the Lord to use you in this way!

HIGHLIGHTS FROM THE PAST YEAR:

- Expanded the Academy's middle school with an additional classroom for 5th grade.
- Welcomed Ms. Keinholz as the new 3rd & 4th grade teacher.
- Welcomed Ms. Hritzay as the new music and elementary art teacher.
- Celebrated Mr. Shatto's retirement and welcomed Mrs. Holly Nye as LCA's new principal.
- Hosted our first Mother & Son Night, where moms and their sons enjoyed pizza and made great memories while playing a variety of exciting games together.
- Hosted our annual Pizza with Pastors event, welcoming 36 guests from our local churches.
- Listened to our 3rd and 4th grade choir sing the National Anthem before a SeaWolves game.
- Served at community ministries including the Humane Society, Chosen, Foster Erie, Thrifter Heaven, and supported the Eye Glass Ministry and Operation Christmas Child.
- Received another A+ rating from Niche!
- Increased LCA's Endowment by over $23,000, bringing our total to more than $162,000!
