

Miranda Bernhardt graduated from Edinboro University of Pennsylvania in 2012 with a Bachelor's Degree in Journalism/Public Relations and a minor in health studies. She also holds an Associate Degree in Business Marketing and Management. After graduating from EUP, Miranda enjoyed her career at Allegheny College as their assistant director of donor relations until she married her husband, Adam, and moved back to her hometown of Albion in 2018.

Miranda attended a Christian school from PreK-5th grade and has experience working in Christian education as a development coordinator. All three of her children have benefited from receiving a Christian education over the years, with two of them being LCA alumni who are now homeschooled. Miranda has also served in her church as both a Sunday school and VBS teacher, and at the Northwestern Community Youth Center on their Board of Directors.

When she isn't homeschooling, working, or driving her children to their activities, Miranda enjoys learning about herbal remedies, cooking, gardening, and spending time outdoors with her family. She and her husband enjoy kayaking, taking walks at dusk, and treasure hunting at thrift and antique stores.

"I am so blessed to serve at LCA. This isn't just a workplace or school; we are a family of brothers and sisters in Christ, from our parents and students, to our staff and leadership team. I get to share and receive God's love daily and witness Him at work in the lives of our students and staff. I am incredibly thankful for LCA."
